EXECUTIVE DIRECTOR'S REPORT

April 7, 2021

MRT Training Seminars are continuing on Zoom for the time being. The next one is April 29. They are continuing to be very popular with over 25 people attending each seminar.

I have been doing Zoom training for individual members. I did a Claims and Valuation Seminars for Carolina Services; I have done annual report training for three different companies and Drivers and Crew training for two different companies. I will continue to let the membership know about these offerings. I have gotten good feedback from the attendees.

Membership is still calling with questions about a wide variety of subjects. I have been getting calls from more consumers who have found us.
