

Benefits of Joining NMCA

- Professionalism – NCMA has constructive, consistent working relationship with the NC Utilities Commission.
- Contacts – You can develop strong relationships with other movers throughout the State. NCMA has an annual convention for members that allows for plenty of networking time for the members.
- Vendors – The NCMA has a strong network of associate members who can provide information about many products and services specific to the moving industry. Our associate members have a strong presence at the annual membership convention.
- Training – Affordable training for your office staff, drivers and crews each year. NCMA is also the best place to get answers to all of your questions about regulations, pricing and paperwork for moves in NC.
- Forms – All of the forms required by NC Utilities Commission are available at a reduced price!!

The mission of the North Carolina Movers Association is to provide guidance to our members concerning rates, tariffs, and rules and regulations as prescribed by the North Carolina Utilities Commission. Most importantly we provide support for our members so they can supply quality service to the moving industry and consuming public.
