## From the President

As I am writing this, I am hoping you all had a wonderful Thanksgiving as you prepare for the awe and wonder of the Christmas season! I begin this term as President of the North Carolina Movers Association with great anticipation and a hopeful spirit that we are going to have a great 2024 in the moving business. 2024 will come with challenges, as all years do, and it will come with successes. I am looking forward to working with our Executive Director, Pam Stanley, the 2024 board of directors, the utilities commission, our membership and our sponsors & vendors to move the NCMA forward in the goal of helping movers in NC serve the buying public of NC.

We have just come from our 2023 NCMA convention in Wilmington NC. We had a wonderful time at the Embassy Suites downtown celebrating the year past! The annual Tony Harris Memorial Cornhole Tournament was competitive, as always, and was great fun. We were able to get out on the golf course on a beautiful NC fall day to bang the agate around, rekindle friendships and create new ones on a wonderful course. A big thank you to all of our sponsors for supporting our cause and our conference. We are so appreciative of the involvement of our vendors in making our association vibrant, fun and sustainable! Rest assured we will continue to lean on you!

In addition to the fun we had, we conducted some business and learned a thing or two. We voted in our new slate of board members and officers, heard from industry veteran Mark Gray and from Krishna Rajeev of the NC Utilities Commission. All in all it was a great conference and we are looking forward to next years in the River front area of Wilmington October 24-26, 2024. Keep an eye out for further information!

As we head into the Christmas season, I hope and pray that each of you are able to rest, spend time with family and recharge some. As I reflect on 2023, I have many blessings to count and am thankful for the experiences and the grace I have received!

We have many challenges ahead, but I am looking forward to 2024 with great anticipation for our country, our industry, our association, our members, and each of you and your families
